

Science Link mid-term conference
Enhancement of Cross-border Cooperation between Research Infrastructures

10 and 11 June 2013 in St. Petersburg

Sunday, 9 June 2013 (optional)

Time	Programme
9:00 am	Transfer from Park Inn Pulkovskaya to Gatchina
10.15 am	Visiting the Petersburg Nuclear Physics Institute (PNPI)
12.30 am	Lunch
2.00 am	Transfer to Peterhof
3.00 pm	Visiting Peterhof
5.00 pm	Transfer back to the hotels in St. Petersburg
6.15 pm	Arrival in the hotels in St. Petersburg
7.00 pm	Dinner (in the hotel restaurant)

Venue: St. Petersburg chamber of commerce and industry
 46-48 Chaikovskogo ul.
 191123 St. Petersburg Russia

Monday, 10 June 2013 – Industry day

Time	Programme
8.30 am	Meet in the lobby of the Park Inn hotel Pulkovskaya (transport by subway to the chamber of commerce)
9.30 am	Introduction to synchrotron radiation and overview of Science Link <i>Rodrigo Coelho</i> , Industrial Liaison Officer, Helmholtz-Zentrum Berlin
10.00 am	Industrial applications of synchrotron radiation: Agriculture and Food Science <i>Thomas Gutberlet</i> , Head of User Coordination, Helmholtz Zentrum Berlin
11.00 am	Coffee break - Consultancy and Networking

Time	Programme
11.30 pm	Industrial applications of synchrotron radiation: Materials Science and Nanotechnology <i>Dr. Thomas Wroblewski, Senior Scientist, Deutsches Elektronen Synchrotron DESY</i>
12.30 pm	Lunch - Consultancy and Networking
2.00 pm	Industrial applications of synchrotron radiation: Construction and Engineering <i>Dr. Marc Thiry, Industrial Liaison Officer, Hemholtz Zentrum Geesthacht</i>
3.00 pm	Coffee break - Consultancy and Networking
3.30 pm	Industrial applications of synchrotron radiation: Life Science and Biotechnology <i>Dr. Graham Appleby, Industrial Liaison Officer, Deutsches Elektronen Synchrotron DESY</i>
4.00 pm	Example of industrial user <i>Hannu Kokko, Managing Director, Ekopine Oy</i>
4.30 pm	Consultancy and Networking (with refreshments and finger food)
5.30 pm	Transport back to the hotel (by subway)
7.30 pm	Transport to the city centre (by bus)
8.00 pm	Boat trip on the Neva river (with dinner)
11.30 pm	Transport back to the Park Inn hotel Pulkovskaya (by bus)

Venue: Park Inn Hotel Pulkovskaya
Pobedy Square 1
196240 St. Petersburg Russia

Tuesday, 11 June 2013 – Science Link mid-term conference

Time	Programme
9.00 am	Drafting Committee Conclusion of the conference resolution
9.30 am	Opening of the conference by the moderator Udo Biss, Northern German Television
9.40 am	Welcome addresses

Time	Programme
9.50 am	Key note speeches <ul style="list-style-type: none"> - Science cooperation in the Baltic Sea Region <i>Johan Kronholm</i>, Business Development Manager, Invest in Skane - The future scene of science (RI) cooperation in BSR <i>Tomas Hernani</i>, Chief Executive Officer of the European Spallation Source (ESS)
10.30 am	Coffee break
11.00 am	Science Link – the project movie
11.10 am	Key note speeches <ul style="list-style-type: none"> - The Science Link project <i>Dr. Uwe Sassenberg</i>, project director Science Link project, Deutsches Elektronen Synchrotron DESY - Presentation of the Science Link study <i>Christina Minniberger</i>, Leibniz Institute for Regional Development and Structural Planning
11.50 am	Panel discussion (with all opening and key note speakers)
12.40 pm	Lunch
2.00 pm	Parallel working groups
	Working group 1: Science Link calls – results and conclusions
	Working Group 2: Regional needs – results of the Latvian study
	Working group 3: Service needs for companies at the research infrastructures – results of the German study
4.00 pm	Coffee break
4.30 pm	Summary of the working sessions
5.00 pm	Agreement on the conference resolution
5.15 pm	End of the conference – Get together (dinner)
